Dear Officers,

I have assumed charge as the Chief Commissioner, Customs & GST, Hyderabad Zone, yesterday evening (with additional charge as Chief Commissioner, Customs & GST, Visakhapatnam Zone). In due course I will be interacting with each of you.

2. Meanwhile, this letter is just to say that it will be my endeavour to accord high priority to the resolution of all the bonafide grievances of all officers and staff. At the same time, I would expect each of you to give your best for furthering the department's overall objective of maximizing taxpayer facilitation at the present juncture when we have been tasked with the successful implementation of the historical GST.

3. We would shortly be outlining a comprehensive action plan for the year, covering various aspects of our work and the expectations from us. Please feel free to send your inputs/ideas in that connection.

With best wishes,

Yours sincerely,

(Bankey Behari Agrawal)
