Sub: RTI – Applications (03 Nos.) filed by Shri Manoj Balkrishna Patil- Bungalow Number 10, East Street Camp, Next to Lashkar Police Quarters, Pune, Pin:411001-Reg.

****

Please refer to the following (03 Nos.) RTI applications filed under RTI Act, 2005 received from Office of the Chief Commissioner of GST & Customs, Hyderabad Zone, Hyderabad through RTI portal under Section 6(3) of RTI Act, 2005 for providing the information.

S.No	Registration Number	Date of Receipt
1	CECHZ/R/T/25/00480/6	24-09-2025
2	CECHZ/R/T/25/00481/6	24-09-2025
3	CECHZ/R/T/25/00482/6	24-09-2025

2. It is to inform that during the period from 01.04.2025 to 23.10.2025, this office has received 76 RTI applications from you including the above. It

is to also inform that during the period from 01.03.2023 to 31.03.2025, this office has received 153 RTI applications alone from you.

3. It is further informed that as per Section 7(9) of the RTI Act, 2005 "An information shall ordinarily be provided in the form in which it is sought unless it would disproportionately divert the resources of the public authority or would be detrimental to the safety or preservation of the record in question". In other words, if an application filed under RTI Act, 2005 leads to diversion of resources disproportionately, there is no need of furnishing the information. As you are filing the applications repeatedly and continuously for frivolous information in the guise of public interest, targeting the CPIOs, this office has proposed to reject all your applications since the resources are being diverted considerably leading to hitch of the regular & other productive work required for the department in the course of public interest. Another reason for proposal to reject your applications is the absence of "public interest" or "larger interest" or "larger public interest" in the information sought by you which otherwise appears to be vexatious. Your repeated RTI applications, seeking frivolous information leads to wastage of public resources, diversion of the precious man hours of One Inspector, One Superintendent and One Group A officer everyday, who are being paid from the Public Money credited in the form of Taxes.

4. It is noticed that the RTI queries raised by you are mostly repetitive in nature. In this regard, attention is invited to the decision of CIC, vide its Order No. CIC/AD/A/2013/001326-SA dated 25.06.2014 in the case of Ramesh Chand Jain Vs. Delhi Transport Corporation, where in the CIC held that if the applicant seeks the information again and again, the PIO, the First Appellate Authority and the Commission would be forced to spend their time on the repeated application, and in the process the authorities would lose that much time to address the other RTI applications or performing their general duties in their public office. Repeated RTI applications will amount to clogging the office of the public authority and CPIO would be justified in refusing the same with intimation of reasons.

Because the repeated RTI applications has an effect of clogging the public offices, it would amount to obstructing the free flow of information to deserving and genuine RTI applicants, besides preventing the officers from performing their general duties attached to their office.

5. Your attention is also invited to the Honorable Supreme Court's decision in the case of Central Board of Secondary Education & Anr. Vs. Aditya Bandopadhyay & Ors. in Civil Appeal No. 6454 of 2011 wherein it was held that indiscriminate and impractical demands or directions under RTI Act for disclosure of all and sundry information (unrelated to transparency and accountability in the functioning of public authorities and eradication of corruption) would be counter-productive as it will adversely affect the efficiency of the administration and result in the executive getting bogged down with the non productive work of collecting and furnishing information.

6. As the information sought by you in the above RTI applications is not readily available and collection/ compilation of such information would require more man-hours leading to wastage of public resources, public finance and divert the precious man-hours of the officials, the information sought by you could not be provided as per Section 7(9) of the RTI Act, 2005 as discussed supra.

ORDER

Accordingly, all the applications as above filed by the applicant are disposed.
