HYDERABAD

Sir,

Sub: - COVID Response and Outreach by Commissionerates -reg

In view of rising number of COVID-19 cases in the zone and also the untimely decease of our colleague officers, Principal Commissioners/Commissioners are advised to take a lead role so as to ensure the safety and well being of the officers/staff working under them. Efforts should be made to render medical assistance including hospitalisation to any employee in dire need. We can support the staff by way of making available of essential supplies of them and logistics support.

The COVID Volunteer group of the zone will continue to extend all help to all officers/staff in the zone. However, it is felt that the Commissionerates will be better equipped to monitor the health of their personnel as well as their family members.

This issues with the approval of Chief Commissioner.

Yours faithfully,

Signed by Sudagauni
